gentle stingy

The floated with a load of logs. stage barge

At the age of one year, the dog was .

page huge

Read the story. Find and underline 8 different words with soft g.
Write the words in the box.

Our Pet

Gus is our pet. He has soft fur and a long tail. We keep his home clean and free of germs. We are gentle when we take him out of his cage. We made a gym for him to play games in. He runs on a large wheel. He can go up little hills and charge down into tunnels. If you want a grand pet, we urge you to get a gerbil like Gus.

_____	_____
_____	_____
_____	_____
_____	_____
